

DR. VIRENDRA SWARUP EDUCATION CENTRE, N-BLOCK, KIDWAI NAGAR
SUMMER HOLIDAY HOMEWORK
CLASS II

English :

“My Imaginary Vacation”

- Paste the picture of a place you would love to visit (can be real or imaginary like the moon, a candy land or a jungle city.)

Write four-five lines about what you would like to do there.

Name three things you would pack in your magical bag!

- Read comprehension passage 3 (Two Squirrels) in ‘Short Reads’ book and answer the questions and activity that follow.

Maths :

FUN WITH SHAPES

Cut and paste any 4 (2-d) shapes by using different colourful sheets and along with the shapes, draw the picture of any one object present at home, resembling that particular shape.

Write two points on every shape being pasted. Use one page of the scrapbook for one particular shape. Use your own creativity to make your homework interesting and more scoring.

Social Science :

“Unity is Diversity” – Incredible India

Paste the pictures of 4 people from different cultures of India in a scrap book. Include different languages, clothes or food. (Write two sentences about each).

Science :

Leaf Collection Art : Collect a few leaves from your garden, park or nearby area. Gently press and dry the leaves. Use the leaves to create fun animals using markers, googly eyes or small scraps of coloured papers. Name each leaf used.

Hindi:

हिंदी की संख्या १ से २० तक की अंकों और शब्दों में व्यक्त करने के लिए विभिन्न वस्तुओं का प्रयोग करते हुए एक चार्ट बनाइए और उसको चित्रों के माध्यम से व्यक्त करते हुए गिनती लिखिए।

उदाहरण :-  = एक = १

Computer- Draw or paste the picture of any four places where computers are used in your computer notebook.
