# DR. VIRENDRA SWARUP EDUCATION CENTRE, N-BLOCK, KIDWAI NAGAR
## SUMMER HOLIDAY HOMEWORK
## CLASS III

**English :**

Dear Students,

This summer, let your imagination take you on a magical journey! Your holiday homework is to create a short story and an illustration based on an exciting adventure. This project will help you practice writing, learn new words, and show off your creativity.

### Part 1: Story Writing

- Write a short story (8–10 sentences) about a magical summer adventure.
- You can travel to:
  - A jungle
  - Under the sea
  - Outer space
  - A land made of candy
  - Or anywhere your imagination takes you!
- Your story should include:
  - Where you went
  - Who went with you
  - What magical things you saw or did
  - How your adventure ended
- Use at least 5 new or interesting English words.
  Here are some ideas:
  mysterious, enormous, sparkling, zoomed, whispered, magical, glowing, jungle, treasure, adventure

### Part 2: Draw Your Adventure

- Draw and color a picture showing your favorite part of the adventure.
- Make your picture as colorful and detailed as you can!

### Part 3: Bonus Activity – Word Jar

- Create a Summer Adventure Word Jar!
- Write 10 fun or new English words you used or learned this summer on small slips of paper.
- Decorate a small jar, box, or envelope to keep your words safe.
- Bring it to class and share your favorite word!

Have fun and be creative!
Bring your completed story, drawing, and word jar to school after the holidays.

* Read cards
1) Country Mouse City Mouse
2) Pinocchio
3) Aussie Dog
4) On to Mars!
5) Does Yellow make you Smile?
from your 'Short Reads' book and do the exercises given.

* Solve pages 19-27 and 59-64 in your 'Grammar Magic' book.

**Maths :**

The pincode represents a system which divides the city into different areas so for better communication codes are given to the different cities.
Find the pincode of Naveen Market , Kidwai Nagar, Gumti and Kalyanpur.
a) Present the above data in a tabular form.
b) Write the sum of any three pincodes.

c) Find the difference between the greatest and smallest pincode.
Do this on an A-4 sheet.

**Social Science :** Take a scrap book – Gather samples of any 6 crops grown in India and paste them on a political map of India. Mark the places where they are found, colour the states in different colours. (For Eg : Rice in West Bengal)

**Science :** "Feeding plate for an animal"
Instructions :-
Choose one animal from any of the following categories :-
- Herbivore (plat eater)
- Carnivore (meat eater)
- Omnivore (eat both plants and animals)

* Make a feeding plate for your chosen animal.
Decorate the plate with the food items that the animal eats.
Use pictures from magazines or make items using air-dry clay or any craft material.
Label the food items and write the animal's name and its food category.
Things needed : Paper, Plate, Food items, Glue etc.

**Hindi :**

ग्रीष्म कालीन अवकाश सहकार्य
विषय – हिंदी
कक्षा – ३ (3)

...गए चित्र में छिपी कहानी को अपनी कल्पना और क्षमता से आगे बढ़ाओ।

एक बार मछली ने सोचा क्यों न आकाश की सैर की जाए।

1- (दिए गए चित्र का प्रिंट आउट निकाल कर भाषा (Hindi Language) अभ्यास पुस्तिका में चिपकाइए तथा कहानी को अपने शब्दों में लिखिए।)

2- हिंदी पुस्तक (मुक्तांजलि) के पृष्ठ संख्या –28 मित्र की सलाह कविता याद करिए।

**Computer -** Draw or paste the picture of following devices -

1- Input devices

2-Output devices

3- Storage devices

(Any Two examples of each in your computer notebook)
