

**ENGLISH :- 1. "Picture Story Teller"**

- In a scrapbook, draw one scenery during your vacations, and for that scene, write a short (5-lined) story.
- Cursive Writing Book (Time to write) – Do page no (4-35) in book.

**HINDI :-** अपनी हिंदी साहित्य (Hindi Lit) की उत्तर अभ्यास पुस्तिका में शब्दों का वृक्ष बनाकर उ, ऊ, ए, ऐ, व ऋ की मात्रा वाले पाँच-पाँच शब्दों को पत्तियों में लिखकर उसको सजाइए।

**MATHS :- "My Ordinal Number Ice Cream Craft"**

DIY Ice Cream Ordinal Craft 

Topic: Ordinal Numbers (Class 1)

Aim:

To help children understand ordinal numbers like 1st, 2nd, 3rd, 4th, 5th in a fun and creative way.

Materials Required:

Colored paper or A4 sheet

Crayons/sketch pens

Pencil & eraser

Glue

Scissors (with adult help)

Ice cream cut-outs OR hand-drawn ice creams

Decorative items (stickers, glitter, stars, etc.)

Procedure:

Draw or paste 1-12 ice cream cones in one straight line.

Write ordinal numbers below each cone:

1st

2nd

3rd

4th

5th

Follow fun instructions such as:

Color the 1st ice cream red.

Draw stars on the 2nd ice cream.

Color the 3rd ice cream green.

Put dots on the 4th ice cream.

Decorate the 5th ice cream with glitter.

Children can also:

Add smiley faces

Use cotton for whipped cream

Paste small paper sprinkles

**SCIENCE :- My Little Plant Friend**

Plant a seed in a small pot and take care of it during the holidays. Bring your grown plant to school after vacations.

Procedure:

• Fill the pot with soil.

• Plant the seed carefully.

• Water it daily.

• Keep it in sunlight.

• Watch the plant grow every day.

Note: The size of the pot should be small so that children can easily bring it to school after the vacations.

**SOCIAL :- "My School Puppets"** In a small spiral notebook, students have to make puppets of - teacher, student, Principal, and helper. Puppets will be made using ice-cream sticks; they can make dress/uniform using paper, buttons can be used for eyes and wool for hair. Puppets to be pasted and labelled on left page and five sentences about each puppet on right side.

**COMPUTER :-** Draw or paste any 2 machines which work with electricity, fuel and Man power.

**Note -** Do this work in Computer Notebook.
